

**UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF VIRGINIA  
(Big Stone Gap Division)**

MELINDA SCOTT,

Plaintiff,

v.

WISE COUNTY DEPARTMENT OF  
SOCIAL SERVICES, *et al.*,

Defendants.

**Case No. 2:20-cv-00014-JPJ-PMS**

**First Supplemental  
Declaration of Joshua Moon**

NOW COMES Defendant Joshua Moon, and states as follows:

1. My name is Joshua Moon, and I am one of the Defendants in the above-captioned matter.
2. I previously signed a declaration in this matter on October 13, 2021. I now reaffirm the veracity of all statements contained in that declaration and incorporate by reference herein the entirety of that declaration.
3. Since October 13, Ms. Scott (using a profile named “Tamar Yael BatYah”, which I have verified to be an alter ego of Ms. Melinda Scott) has continued to post comments on the Kiwi Farms website.
4. Ms. Scott has also called herself “Tamar” in a video she has posted to YouTube. See <https://www.youtube.com/watch?v=jd4u00QuwSo> (archived at [https://kiwifarms.net/archive/Tamar/Slander\\_on\\_Rekeita\\_Law-jd4u00QuwSo.mp4](https://kiwifarms.net/archive/Tamar/Slander_on_Rekeita_Law-jd4u00QuwSo.mp4)).

This video bolsters the conclusion that Melinda Scott and “Tamar Yael BatYah” are the same person.

5. Specific recent statements of Ms. Scott include comments in which Ms. Scott brags that I will never be able to collect any judgment that I obtain in this matter, comments in which Ms. Scott repeatedly discusses extremely personal details of her sexual activities, and comments in which Ms. Scott threatens armed actions against any debt collectors that might be engaged against her. Among her most notable comments, Ms. Scott stated:

- a. “Yes, someone can transfer all their assets to their children and spouse before they die. Then their Debtor's can sit there and jerk off to a Court Order.”  
(<https://kiwifarms.net/threads/melinda-leigh-scott-marshall-castersen.32118/post-10227759>)
- b. “They will be left with a piece of paper and an empty hand.”  
(<https://kiwifarms.net/threads/melinda-leigh-scott-marshall-castersen.32118/post-10201203>).
- c. “Anyone showing up on behalf of KiwiFarms.net is a risk of bodily injury or death to me. So I will shoot and all your insane ramblings are garbage lies that will not deter me. Cease and Desist letters apply to attorney's fees and anyone acting for an attorney.” (<https://kiwifarms.net/threads/melinda-leigh-scott-marshall-castersen.32118/post-10222722>).
- d. “I'd like to see Joshua Moon man up and step toe to toe with Marshall. Come on Joshua Moon, Marshall won't waste his time with lawsuits in a court system he thinks is 100% guarunteed to be evil. You can settle it in VA like a real man with Marshall, all fists and no attorney's fees. What do you say?”

(<https://kiwifarms.net/threads/melinda-leigh-scott-marshall-castersen.32118/post-10201203>).

- e. “Marshall is very sexy. He has a nice juicy butt, thick thighs like boulders and btw, a nicely shaped dong. It was my pleasure to ride his cock all the way to pregnancy.” (<https://kiwifarms.net/threads/melinda-leigh-scott-marshall-castersen.32118/post-10271802>).
6. The foregoing statements, and all of Ms. Scott’s other statements, have been made a part of Kiwi Farms’ records and are maintained in our internal databases and made available on the Internet.
7. The foregoing statements all lead me to seek attorney’s fees and protection in the form of a pre-filing injunction from this Court. Ms. Scott complains of “harassment” and “cyberstalking” but regularly posts, of her own volition, intimate personal details. Ms. Scott has made it a habit to challenge me to personal combat with third parties. Ms. Scott has threatened to shoot me if I attempt to collect a judgment from her. Ms. Scott has told me that even if this Court issues an order granting me relief, I will only be able to “[expletive] to a court order” and will be left with “an empty hand.”
8. I certify that all exhibits hereto are true and correct copies of the records of the Kiwi Farms.
9. Further I say nothing.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on: Oct. 22, 2021

If Fake jew had to pay for all her bullshit filings, she wouldn't file anything.

An accounting of her assets from what she has shown and told us especially in the last 24 hours will be quite interesting but I expect fake jew to run and go somewhere else and file more bs lawsuits.

If she did shoot at anyone in law enforcement, she might be able to pull off the mentally insane defense.

@Useful\_Mistake May I ask you a question? You seem extremely well versed in law. If Josh is awarded damages, and is allowed to pursue @TamarYaelBatYah regarding them. Could Mel, in a brilliant 4d chess move of spite, purposely liquidate or give away her property until all that is left is protected under the law? She does seem demented and stupid enough to (further) push her family into poverty and chalk that up as a win.

Yes, someone can transfer all their assets to their children and spouse before they die. Then their Debtor's can sit there and jerk off to a Court Order.

Funny how you think that Joshua Moon can try to manipulation the court system in playing games with the court about where he lives and yet it's somehow acceptable.

OH MY FUCKING GRAVY, I forgot. You're sociopathic narcissistic Stalkers with double standards. Ok whew. For a second I was talking to you like you were sane healthy people. Silly me.

I surely saw you still licking your wounds on here for being childless. Oh yes, I watch. I take notes. You're a typical Goy woman trying to justify the disgrace of your empty womb.

Neither you nor Marshall has ever eaten at a restaurant with 3 Michelin stars. You have no clue about good food. And you don't cook Ashkenazi, Sephardic, or Mizrahi food. You cook white trash pig slop. You and Marshall are fat but the children look scrawny and underfed. The children aren't even getting their fair share of pig swill.

Marshall fat? More like he's a nice thick man. Who obviously likes his woman thick in the right places.

One of the hottest things about Marshall's thick body is his thick legs and big juicy ass. Obviously you don't know that some women like a thick man. **Women are visual**, don't you know.

Oh wait, I just scrolled up to the see whose profile this was I'm writing to. No, you're a Talmudic scholar, wholly sexist. So you don't know women are visual.

Here's some Sex Ed for you: **WOMEN ARE VISUAL**. We like looking at strong legs on a man, a nice wide manly looking ass, and long flowing luscious hair on his head. Marshall can grow some handsome luscious locks of hair. Mmmhm.

I'm not going to get into a pissing contest about what I cook. You have a narcissistic preoccupation with competition and I won't engage.

Both Marshall and I have both lived in very affluent areas where high end restaurants were accessible in many places. He in SF Bay area, me in Metropolitan Northern VA/DC. We've both had our share of big city high culture and fine dining. Thanks for trying to get to know us before making assumptions!

But he's like me in that he knows city life gets old and nothing compares to good home cooking shared in the comfort of one's home. No 5 star restaurant can compare to that.

My children eat fine BTW. My boys are all strong as mules. My girls have complete opposite body types and they both are beautiful and healthy. My \$1200-\$1400/mo grocery bill isn't meager by any means.

KE clearly distresses Mel so much that she feels it necessary and appropriate to come here unprompted and share intimate details of her and Marshall's sex life. Which nobody asked for. Nobody would ever ask for. Y'know Mel, normal people don't do that. Ever.

Who the fuck cares what "normal" is. Who the fuck wants to be within the range of "normal" in a fucked up society? No, I can do better than what's "normal".

Aside from the fact that discussing women's sexuality in a philosophical and scientific manner is completely acceptable in the world of academia, I was in fact asked by @Baby Yoda to discuss some aspect of my relationship with Marshall.

Using scientific terminology to discuss women's sexuality is not "intimate details". "Intimate details" would be me describing just how exactly I performed a blow job on Marshall. You were not given information on that. So no, I did not cross any moral boundaries.

If words like "sex" stated in public bother you, you should consider sex therapy.

Space Cooler said: 

Why on earth would you come back to post that?

Well, now, let's see, if I'm not mistaken - and I'm not - I'm pretty sure that Kiwi Farms entire platform against me was on the basis of attacking how I express my sexuality as a woman. Your old fashioned misogynistic worldview boxing women into some Dark Ages view of woman's sexuality was made quite clear.

So the real issue is here, not that my sexuality is being spoken of on Kiwi Farms, the issue is, you don't like when you can't control the narrative about my sexuality and women's sexuality in general.

Useful\_Mistake said:

Ok, I looked it up. Doesn't include judgments for attorney's fees. So it doesn't apply.

You're certainly welcome to try bringing an FDCPA action against a creditor attempting to collect his own debts which "cannot reasonably be understood as "debts" arising from consensual consumer transactions for goods and services" (*Gulley*, 664 F.3d at 1075) and get sanctioned by another federal court.

Self defense only occurs when someone is at risk of grievous bodily injury or death. Someone showing up at your home to collect property in order to pay a debt that a court has already certified that you owe would not by definition be a physical threat to you at all. It would be a threat to property that no longer belonged to you. Technically, the person collecting the property wouldn't even be a threat to the property - you would be the person posing a threat to Josh's property.

Firstly, collection agents for court judgments don't go around gathering property. They can only ask for the money, unless you file a Cease and Desist.

Secondly, Anyone showing up on behalf of KiwiFarms.net is a risk of bodily injury or death to me. So I will shoot and all your insane ramblings are garbage lies that will not deter me.

Cease and Desist letters apply to attorney's fees and anyone acting for an attorney.
